www.jobygeorge.co.nz

Hello, I'm Joby George.

I love to create clean, semantic, pixel-perfect UI /UX Designs. I am providing services in UI /UX Designs / Web Development / Graphic Designing for the past 7 years. I design light weight, brilliant and attractive UI /UX Designs / Mobile interface and implement them with the latest technologies. I have enjoyed working in UI /UX Designs and Development. Excellent interpersonal skills and the ability to build good working relationships.

Thank you for taking time to check out my Portfolio.
